Your 30-Day Launch Checklist

Print this. Tape it to your wall. Check one box at a time — in 30 days you go from idea to first paying contract.

WEEK 1 — LEGAL FOUNDATION

- ☐ File your LLC with your state's Secretary of State
\$40–\$200 · use the official .gov site only
- ☐ Get your EIN free at IRS.gov
10 minutes — never pay for an EIN
- ☐ Order certifications: HIPAA + OSHA Bloodborne Pathogens + specimen handling
Start the courses the same day
- ☐ Request commercial auto + general liability quotes (3 minimum)
Say “courier/delivery use” to the agent

WEEK 2 — COMPLIANCE + KIT

- ☐ Finish all certifications and save certificates to a cloud folder
- ☐ Bind insurance and request a Certificate of Insurance (COI)
- ☐ Open a business bank account
Bring LLC approval + EIN letter
- ☐ Order your equipment kit (~\$250) and photograph the clean setup
Photos go on your site + in pitch emails
- ☐ Set up Google Business Profile + a one-page website

WEEK 3 — BUILD YOUR PIPELINE

- ☐ Apply to 5+ courier networks from the Contract Company Directory
Onboarding runs in parallel
- ☐ Build your 50-prospect direct-contract list
- ☐ Write your one-page rate sheet
- ☐ Make your first 10 cold calls (use the backup-courier script)

WEEK 4 — FIRST REVENUE

- ☐ Complete network onboardings and accept your first routes
- ☐ 10 more calls + follow-up emails + 3 in-person drop-bys
- ☐ Set a recurring quarterly compliance-review reminder
- ☐ Start your mileage tracker BEFORE your first paid mile
